POWER OF ATTORNEY
BERKLEY REGIONAL INSURANCE COMPANY
WILMINGTON, DELAWARE

NOTICE: The warning found elsewhere in this Power of Attorney affects the validity thereof. Please review carefully.

KNOW ALL MEN BY THESE PRESENTS, that BERKLEY REGIONAL INSURANCE COMPANY (the "Company"), a corporation duly organized and existing under the laws of the State of Delaware, having its principal office in Urbandale, Iowa, has made, constituted and appointed, and does by these presents make, constitute and appoint: *Brian M. Rossi, Robert G. Padula, Christopher A. Iannotti, Richard A. Padula, Joseph J. Padula, Christopher A. Plympton, Judith A. Briggs or Elisa Cardone of Gencorp Insurance Group, Inc. of E. Greenwich, RI* its true and lawful Attorney-in-Fact, to sign its name as surety only as delineated below and to execute, seal, acknowledge and deliver any and all bonds and undertakings, with the exception of Financial Guaranty Insurance, providing that no single obligation shall exceed Fifty Million and 00/100 U.S. Dollars (U.S.\$50,000,000.00), to the same extent as if such bonds had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office in their own proper persons.

This Power of Attorney shall be construed and enforced in accordance with, and governed by, the laws of the State of Delaware, without giving effect to the principles of conflicts of laws thereof. This Power of Attorney is granted pursuant to the following resolutions which were duly and validly adopted at a meeting of the Board of Directors of the Company held on August 21, 2000:

"RESOLVED, that the proper officers of the Company are hereby authorized to execute powers of attorney authorizing and qualifying the attorney-in-fact named therein to execute bonds, undertakings, recognizances, or other suretyship obligations on behalf of the Company, and to affix the corporate seal of the Company to powers of attorney executed pursuant hereto; and further

RESOLVED, that such power of attorney limits the acts of those named therein to the bonds, undertakings, recognizances, or other suretyship obligations specifically named therein, and they have no authority to bind the Company except in the manner and to the extent therein stated; and further

RESOLVED, that such power of attorney revokes all previous powers issued on behalf of the attorney-in-fact named; and further

RESOLVED, that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any power of attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligation of the Company; and such signature and seal when so used shall have the same force and effect as though manually affixed. The Company may continue to use for the purposes herein stated the facsimile signature of any person or persons who shall have been such officer or officers of the Company, notwithstanding the fact that they may have ceased to be such at the time when such instruments shall be issued."

IN WITNESS WHEREOF, the Company has caused these presents to be signed and attested by its appropriate officers and its corporate seal hereunto affixed this 9 day of March, 2012.

1. BID

Having examined the Place of the Work and all matters referred to in the Instructions to Bidders and in the Contract Documents prepared by Edward Rowse Architects, Inc., for the above-mentioned project, we, the undersigned, hereby propose to enter into a Contract to perform the Work for the sum of:

Base Bid

1,092,000.00
(Numeric)

one million ninety two thousand dollars
(written)

We have included the required Bid Security in compliance with the Instructions to Bidders.

The Contractor acknowledges that the project is phased and that full uninterrupted operation of the Central Distribution Warehouse must be maintained during normal hours of operation.

2. ACCEPTANCE

This Bid shall be irrevocably open to acceptance for 90 days from the Bid closing date. If this Bid is accepted by the Owner within 90 days, we will:

Execute the Agreement subject to compliance with required State regulatory agency approvals as described in the Invitation to Bidders.

Furnish the required bonds in compliance with amended provisions of the Instructions to Bidders.

Commence work within seven (7) days after receipt of a Purchase Order.

If this bid is accepted within 90 days, and we fail to commence the work, or we fail to provide the required bond (s), the security deposit shall be forfeited as damages to the Owner by reason of our failure, limited to

the amount of lesser of the value of the security deposit, or of the difference between this Bid and the Bid upon which the Contract is signed.

In the event our Bid is not accepted within 90 days, the required security deposit shall be returned to the undersigned, in compliance with provisions of the "Instructions to Bidders"; unless a mutually satisfactory arrangement is made in writing for its retention and validity for an extended period of time.

3. CONTRACT TIME

If this bid is accepted, we will complete the work in Base Bid in 150 calendar days from receipt of a Purchase Order. Contract time will be mutually extended if additional work is included.

4. ADDENDA

The following Addenda have been received. The noted modifications to the Bid Documents have been considered and all costs are included in the Bid Sum.

Addendum No. 1, dated 10-26-12

Addendum No. 2, dated _____

5. ALTERNATES

Alternate bid prices shall contain all charges for overhead, profit, insurance, all taxes, allowance for waste and the sum quoted shall represent the work complete and in place to the Owner. BIDDER agrees to be bound by the following alternate prices and scopes of each alternate as specified in section 01230 and appropriate alternate specific sections.

*****ALTERNATES NOT USED*****

6. UNIT PRICES: BIDDER agrees to be bound by the following unit prices.

The following Unit Prices, if accepted in the award of this Contract, shall be used in establishing the adjustment of Contract Price for additions to or deductions from the Work in accordance with the applicable section of the General Conditions and the Supplementary General Conditions. Unit Prices listed shall include all costs, profit and overhead, and no further surcharges are to be added to any Unit Price item of Work that may be order done. Work omitted from the contract will be calculated at 100 percent of the additional work unit prices.

Unit prices for fabricated items shall include all necessary connections and fastenings required to produce complete assemblies.

BIDDER agrees that the below listed unit prices will not contain anything to alter or void the Lump Sum Proposal and that applicable contents of this Proposal shall be binding on the unit prices and the work involved whether or not it be specifically stated.

All work covered by the unit prices enumerated below shall be performed in accordance with requirements of the specifications.

*****UNIT PRICES NOT USED*****

REVISED NOTICE TO VENDORS

Effective January 1, 2012 all public works projects related bids or proposals exceeding SEVEN HUNDRED FIFTY THOUSAND (\$750,000) dollars are required to include a "public copy". All agency contract solicitations, requests for proposals, invitations for bids, etc. shall state that any bid or proposal that exceeds SEVEN HUNDRED FIFTY THOUSAND (\$750,000) dollars must include a copy to be available for public inspection upon the opening of the bids. Any bid or proposal that exceeds SEVEN HUNDRED FIFTY THOUSAND (\$750,000) dollars which does not include a copy for public inspection shall be deemed to be non-responsive. Additionally, proposals submitted for a Master Price Agreement, when the total amount potentially may exceed SEVEN HUNDRED FIFTY THOUSAND (\$750,000) dollars and the solicitation expressly requires any or all vendors to submit a public copy, must include a copy to be available for public inspection. For further information, please see RI Gen Laws §37-2-18(j) and State of RI Procurement Regulations at <http://purchasing.ri.gov/rulesandregulations/rulesandregulations.aspx>. Please see Question #11 below for further instructions regarding RIDOT Highway and Bridge construction projects.

NOTE: AWARD OF CONTRACTS AND PURCHASE ORDERS SHALL BE SUBJECT, AT THE DISCRETION OF THE PURCHASING AGENT, TO THE OFFEROR COMPLETING AN ON-LINE RIVIP REGISTRATION at www.purchasing.ri.gov. It is THE RESPONSIBILITY OF THE VENDOR to make on-line corrections/updates using the Vendor maintenance program on the RI Division of Purchases Web Site.

SECTION 2 - REQUIREMENTS

ALL OFFERS ARE SUBJECT TO THE REQUIREMENTS, PROVISIONS AND PROCEDURES CONTAINED IN THIS THREE-PAGE CERTIFICATION FORM. Offerors are expected to READ, SIGN and COMPLY with all requirements. Failure to do so may be grounds for disqualification of the offer contained herein.

Section 2.1 - RULES FOR SUBMITTING OFFERS

2.1A. This CERTIFICATION FORM MUST BE ATTACHED IN ITS ENTIRETY TO THE FRONT OF THE OFFER and shall be considered an integral part of each offer made by a vendor to enter into a contract with the State of Rhode Island, Division of Purchases. As such, submittal of the entire Bidder Certification Cover Form, signed by a duly authorized representative of the offeror attesting that he/she (1) has read and agrees to comply with the requirements set forth herein and (2) to the accuracy of the information provided and the offer extended, is a mandatory part of any contract award.

To assure that offers are considered on time, each offer must be submitted with the specific Bid/RFP/LOI number (provided above), date and time of opening marked in the upper left hand corner of envelope. Each bid/offer must be submitted in separate sealed envelopes.

A complete, signed (in ink) offer package, must be delivered to the Division of Purchases (via any mail or messenger service) by the time and date specified for the opening of responses in a sealed envelope.

Bids must be submitted on the RI bid solicitation forms provided, indicating brand and part numbers of items offered, as appropriate. Bidders must submit detailed cuts and specs on items offered as equivalent to brands requested WITH THE OFFER. Bidders must be able to submit samples if requested.

Mail To: Division of Purchases, One Capitol Hill, Second Floor, Providence, RI 02908-5855.

Documents misdirected to other State locations or which are not present in the Division of Purchases at the time of opening for whatever cause will be deemed to be late and will not be considered. For the purposes of this requirement, the official time and date shall be that of the time clock in the Division of Purchases. Postmarks shall not be considered proof of timely submission.

2.1B. RIVIP SOLICITATIONS. To assure maximum access opportunities for users, public bid/RFP solicitations shall be posted on the RIVIP for a minimum of seven days and no amendments shall be made within the last five days before the date an offer is due. Except when access to the Web Site has been severely curtailed and it is determined by the State Purchasing Agent that special circumstances preclude extending a solicitation due date, requests to mail or fax hard copies of solicitations will not be honored. When the result of an Internet solicitation is unsuccessful, the State of Rhode Island will cancel the original solicitation and resolicit the original offer directly from vendors.

2.2. PRICING. Offers are irrevocable for sixty (60) days from the opening date (or such other extended period set forth in the solicitation) and may not be withdrawn, except with the express permission of the State Purchasing Agent. All pricing will be considered to be firm and fixed unless otherwise indicated. The State of Rhode Island is exempt from Federal excise taxes and State Sales and Use Taxes. Such taxes shall not be included in the bid price. PRICES QUOTED ARE FOB DESTINATION.

2.3. DELIVERY and PRODUCT QUALITY. All offers must define delivery dates for all items; if no delivery date is specified, it is assumed that immediate delivery from stock will be made. The contractor will be responsible for delivery of materials in first class condition. Rejected materials will be at vendor's expense.

2.4. PREVAILING WAGE, OSHA and APPRENTICESHIP.

2.4.1 Prevailing Wage and OSHA Safety Training Requirements. The provisions of the State labor laws and OSHA Safety Training, including but not limited to Rhode Island General Laws 37-13-1 et seq. and 28-20-1 et seq., shall apply for all public works contracts. Prevailing wage rates are posted in the information section of the RIVIP. The RI Department of Labor and Training should be contacted for regulatory requirements.

2.4.2 (a) Apprenticeship. Rhode Island General Laws §37-13-3.1 requires all general contractors and subcontractors who perform work on any public works contract awarded by the state valued at one million dollars (\$1,000,000) or more shall employ apprentices required for the performance of the awarded contract. The number of apprentices shall comply with the apprentice to journeyman ratio for each trade approved by the apprenticeship council of the Department of Labor and Training.

2.4.2(b) In addition to executing this certification, the general contractor shall be responsible for requiring that all subcontractors on the awarded project certify their compliance with R.I. Gen. Laws §37-13-3.1 prior to allowing the subcontractor to commence work on the awarded project. The general contractor shall be responsible for submitting the subcontractors' compliance certification to the Division of Purchases after the contracts are finalized between the contractor and subcontractor.

2.5. PUBLIC RECORDS. Offerors are advised that all materials submitted to the State for consideration in response to this solicitation will be considered without exception to be Public Records pursuant to Title 38 Chapter 2 of the Rhode Island General Laws, and will be released for inspection immediately upon request once an award has been made. Offerors are encouraged to attend public bid/RFP openings to obtain information; however, bid/RFP response summaries may be reviewed after award(s) have been made by using the RIVIP at any time or appearing in person at the Division of Purchases Mondays through Fridays between 8:30 a.m. and 3:30 p.m. Telephone requests for results will not be honored. Written requests for results will only be honored if the information is not available on the RIVIP.

SECTION 3 - AWARD DETERMINATION

Award will be made to the responsive and responsible offeror quoting the lowest net price in accordance with specifications, for any individual item(s), for major groupings of items, or for all items listed, at the State's sole option.

3.1. BID SURETY. Where bid surety is required, bidder must furnish a bid bond or certified check for 5% of the bid total with the bid, or for such other amount as may be specified. Bids submitted without a required bid surety will not be considered.

3.2. SPECIFICATIONS. Unless specified "no substitute," product offerings equivalent in quality and performance will be considered (at the sole option of the State) on the condition that the offer is accompanied by detailed product specifications. Offers which fail to include alternate specifications may be deemed nonresponsive.

SECTION 4 – CONTRACT PROVISIONS

4.1. VENDOR AUTHORIZATION TO PROCEED.

4.1A. When a purchase order, change order, contract/agreement or contract/agreement amendment is issued by the RI Division of Purchases, no claim for payment for services rendered or goods delivered contrary to or in excess of the contract terms and scope shall be considered valid unless the vendor has obtained a written change order or contract amendment issued by the Division of Purchases PRIOR TO delivery.

4.1B. Any offer, whether in response to a solicitation for proposals or bids, or made without a solicitation, which is accepted in the form of an order OR Pricing Agreement made in writing by the Purchasing Agent, or a state official with purchasing authority delegated by the Purchasing Agent, shall be considered a binding contract.

4.2. REGULATIONS, GENERAL TERMS AND CONDITIONS GOVERNING STATE CONTRACTS. This solicitation and any contract or purchase order arising from it are issued in accordance with the specific requirements described herein, and the State's Purchasing Laws and Regulations and other applicable State Laws. The Regulations, General Terms and Conditions are incorporated into all state contracts. These regulations and basic information on How To Do Business with the State of Rhode Island are posted on the Rhode Island Vendor Information Program Website (www.purchasing.ri.gov).

4.2A. ARRA SUPPLEMENTAL TERMS AND CONDITIONS. Contracts and sub-awards funded in whole or in part by the American Recovery and Reinvestment Act of 2009, Pub.L.No. 111-5 and any amendments thereto, such contracts and sub-awards, shall be subject to the Supplemental Terms and Conditions For Contracts and Sub-awards Funded in Whole or in Part by the American Recovery and Reinvestment Act of 2009, Pub.L.No. 111-5 and any amendments thereto located on the Division of Purchases website at www.purchasing.ri.gov.

4.3. EQUAL EMPLOYMENT OPPORTUNITY. Compliance certificate and agreement procedures will apply to all awards for supplies or services valued at \$10,000 and more. Minority Business Enterprise policies and procedures, including subcontracting opportunities as described in Title 37 Chapter 14.1, of the Rhode Island General Laws, also apply.

Revised: 12/20/2011

4.4. PERFORMANCE BONDS. Where indicated, successful bidder must furnish a 100% performance bond and labor and payment bond for contracts subject to Title 37 Chapters 12 and 13 of the Rhode Island General Laws. All bonds must be furnished by a surety company authorized to conduct business in the State of Rhode Island. Performance bonds must be submitted within 21 calendar days of the issuance of a tentative notice of award.

4.5. DEFAULT and NON-COMPLIANCE. Default and/or non-compliance with the RIVIP requirements and any other aspects of the award may result in withholding of payment(s), contract termination, debarment, suspension, or any other remedy necessary that is in the best interest of the state.

4.6. COMPLIANCE. Vendor must comply with all applicable federal, state and local laws, regulations and ordinances.

4.7. SPRINKLER IMPAIRMENT AND HOT WORK. The Contractor agrees to comply with the practices of the State's insurance carrier for sprinkler impairment and hot work. Prior to performing any work, the Contractor shall obtain the necessary information for compliance from the Risk Management Office at the Department of Administration or the agency for which work will be performed.

SECTION 5 – CERTIFICATIONS AND DISCLOSURES
ALL CONTRACT AWARDS ARE SUBJECT TO THE FOLLOWING DISCLOSURES & CERTIFICATIONS
Offerors must respond to every disclosure statement.

A person authorized to enter into contracts must sign the offer and attest to the accuracy of all statements.

ITEM 3

Bruce A. Bookbinder
Delta Mechanical Contractors, LLC
President / CEO

OVERVIEW:

With over 35 years experience in the plumbing and mechanical contracting industries, Bruce Bookbinder has successfully owned and managed Delta Mechanical Contractors to be one of the fastest growing, premier mechanical contracting operations in New England.

After graduating from the University of Miami in 1975 with a degree in Aerospace Management, Bruce joined his family's union plumbing and heating business. Over the years, Bruce developed relationships with all the prominent general contractors in the area and in 1991 he started his own open shop company, Delta Mechanical.

Since Delta's inception in 1991, it has completed over \$600,000,000 of plumbing and HVAC systems. With current annual revenues exceeding \$60,000,000 and a surety bond program that supports a \$25,000,000 single job limit and an aggregate work program of \$80,000,000, Delta Mechanical has distance itself from the competition and provides its customers with unparalleled professional service.

Clients can rely on Delta to deliver its scope of work with a high degree of quality and timeliness.

Bruce retains overall responsibility for estimating, purchasing and project management on renovations and new construction. Mr. Bookbinder's years of experience give him a unique ability to analyze designs and systems and recommend the most cost effective and viable approach while maintaining the original intent of the owner and engineer.

RECENT RELEVANT EXPERIENCE:

University of Rhode Island - New Student Housing

This recently completed \$12,000,000 plumbing and HVAC new construction project houses several hundred students at the Kingston campus of the State University. Significant time pressures existed and were met to ensure the housing requirements of the school.

RECENT RELEVANT EXPERIENCE (CONT'D)

TF Green Airport Terminal Improvements and Maintenance Facility

The expansion project at the Providence Airport provided Delta with over \$9,000,000 of plumbing, HVAC and Fire Protection work. This project required a significant coordination effort to minimize the disruption to the functionality of the terminal as well as working through extraordinary security precautions. The contract included over \$750,000 of change orders and was completed on time.

Wyatt Detention Facility

We performed the plumbing and heating work for this \$8,500,000 renovation and addition to the Federal Prison in Central Falls Rhode Island. The project consisted of providing 180 new cells for inmates along with visitation areas, hearing rooms, administrative offices, kitchen facility and a central boiler / chiller plant. In addition, we performed renovations to approximately 25,000 square feet of the existing occupied facility. Extensive security measures and a timely turnover of cells were essential to the project success.

Bank of America Operations Center

This rapid paced 174,000 square foot operations center was completed in a record 6 month time frame at a cost of \$9,700,000. We installed computer room cooling with approximately 150 tons of cooling at 60000 cfm, space heating with 8,000,000 BTU's of heat through 20000 feet of pipe, 420 tons of space cooling with 10 roof top units and 168,000 cfm and plumbing with over 200 fixtures and 600 gallons of hot water storage.

Ponagansett Middle School

We provided \$4,200,000 of new plumbing and HVAC systems to this state of the art school in Glocester, Rhode Island. Our work throughout the facility included classrooms, auditorium, cafeteria and gymnasium areas. The job was completed 4 weeks ahead of schedule.

RECENT RELEVANT EXPERIENCE (CONT'D)

RI Juvenile Training Center

Delta has a \$9,800,000 contract to construct the plumbing, HVAC and Fire Protection work in these two state of the art facilities that exemplifies contemporary security systems as well as exceeds all energy conservation expectations. This project required additional attention due to the numerous modifications issued during the course of the project. Through the experience, expertise and dedication of Delta, the mechanical construction schedule is on track and will be completed as planned.

Brooks / Eckerd Drugs Headquarters

Our plumbing, heating and fire protection teams performed the work in this 260,000 square-foot World Headquarter facility. We provided over \$5,100,000 of new construction at this predominately office location. The installation included 12,000,000 BTU's of hydronic heating from six Patterson Kelley boilers. The facility was air conditioned by 17 fifty (50) ton Lennox Roof Top units that supply air through over 240 VAV boxes. Johnson Controls provided the automation.

Meeting Street School

Delta installed over \$2,200,000 of new HVAC and fire protection systems in Providence at this LEED certified schooling facility for the handicapped. Our work included Energy Recovery Roof Top Units and the Taco Load-Match hot water and chilled water piping systems.

Newport Heights 3

This \$2,000,000 new plumbing and heating job in Middletown, RI was for 71 affordable condominium units.

G Tech Corporate Center

Located in downtown Providence, this landmark project included HVAC and plumbing for a 10 story office facility with underground parking and first floor retail areas. Based on our superior performance, we were awarded the tenant fit-out package and along with some of the retail areas. Our aggregate contract value exceeded \$6,700,000.

RECENT RELEVANT EXPERIENCE (CONT'D)

Central High School

This \$6,800,000 plumbing, mechanical and fire protection work has been on-going for over two years. Our original contract value was \$1,800,000 and as a result of continued quality performance, we have been engaged over the past two years to perform significant change order work. This school is in a downtown Providence location, is 4 stories tall and is scheduled for completion in the winter of 2007. The project requirements included careful manpower and work area planning to avoid disruption to the daily school activities.

Independence Hall

Another time sensitive project, this \$2,500,000 contract was for the renovation of classrooms, the central lobby, study hall, and auditorium areas. The building is comprised of 3 stories and 125,000 square feet. We provided an energy efficient water source heat pump system along with energy recovery units for the make up air in the central area's of the interior.

OVERVIEW:

With over 35 years experience in the plumbing and mechanical contracting industries, and the last 12 years at Delta Mechanical, Jeff Bookbinder has been the primary estimating resource for this successful business operation.

Jeff attended Clarkson University and in 1969 joined the Rhode Island Plumbers and Pipefitters union. Jeff worked diligently learning the trades while being employed by his family's business that was started by his grandfather. After 25 years of various on site project experiences, Jeff became a full time estimator.

RECENT RELEVANT ESTIMATES:

University of Rhode Island – New Student Housing

This recently completed \$12,000,000 plumbing and HVAC new construction project houses several hundred students at the Kingston campus of the State University. Significant time pressures existed and were met to ensure the housing requirements of the school.

TF Green Airport Terminal Improvements and Maintenance Facility

The expansion project at the Providence Airport provided Delta with over \$9,000,000 of plumbing, HVAC and Fire Protection work. This project required a significant coordination effort to minimize the disruption to the functionality of the terminal as well as working through extraordinary security precautions. The contract included over \$750,000 of change orders and was completed on time.

Wvatt Detention Facility

We performed the plumbing and heating work for this \$8,500,000 renovation and addition to the Federal Prison in Central Falls Rhode Island. The project consisted of providing 180 new cells for inmates along with visitation areas, hearing rooms, administrative offices, kitchen facility and a central boiler / chiller plant. In addition, we performed renovations to approximately 25,000 square feet of the existing occupied facility. Extensive security measures and a timely turnover of cells were essential to the project success.

RECENT RELEVANT ESTIMATES (CONT'D)

Bank of America Operations Center

This rapid paced 174,000 square foot operations center was completed in a record 6 month time frame at a cost of \$9,700,000. We installed computer room cooling with approximately 150 tons of cooling at 60000 cfm, space heating with 8,000,000 BTU's of heat through 20000 feet of pipe, 420 tons of space cooling with 10 roof top units and 168,000 cfm and plumbing with over 200 fixtures and 600 gallons of hot water storage.

Ponagansett Middle School

We provided \$4,200,000 of new plumbing and HVAC systems to this state of the art school in Glocester, Rhode Island. Our work throughout the facility included classrooms, auditorium, cafeteria and gymnasium areas. The job was completed 4 weeks ahead of schedule.

RI Juvenile Training Center

Delta has a \$9,800,000 contract to construct the plumbing, HVAC and Fire Protection work in these two state of the art facilities that exemplifies contemporary security systems as well as exceeds all energy conservation expectations. This project required additional attention due to the numerous modifications issued during the course of the project. Through the experience, expertise and dedication of Delta, the mechanical construction schedule is on track and will be completed as planned.

Brooks / Eckerd Drugs Headquarters

Our plumbing, heating and fire protection teams performed the work in this 260,000 square foot World Headquarter facility. We provided over \$5,100,000 of new construction at this predominately office location. The installation included 12,000,000 BTU's of hydronic heating from six Patterson Kelley boilers. The facility was air conditioned by 17 fifty (50) ton Lennox Roof Top units that supply air through over 240 VAV boxes. Johnson Controls provided the automation.

RECENT RELEVANT ESTIMATES (CONT'D)

Meeting Street School

Delta installed over \$2,200,000 of new HVAC and fire protection systems in Providence at this LEED certified schooling facility for the handicapped. Our work included Energy Recovery Roof Top Units and the Taco Load Match hot water and chilled water piping systems.

Newport Heights 3

This \$2,000,000 new plumbing and heating job in Middletown, RI was for 71 affordable condominium units.

G Tech Corporate Center

Located in downtown Providence, this landmark project included HVAC and plumbing for a 10 story office facility with underground parking and first floor retail areas. Based on our superior performance, we were awarded the tenant fit-out package and along with some of the retail areas. Our aggregate contract value exceeded \$6,700,000.

Central High School

This \$6,800,000 plumbing, mechanical and fire protection work has been on-going for over two years. Our original contract value was \$1,800,000 and as a result of continued quality performance, we have been engaged over the past two years to perform significant change order work.
