## Section 2.1 - RULES FOR SUBMITTING OFFERS

2.1A. This CERTIFICATION FORM MUST BE ATTACHED IN ITS ENTIRETY TO THE FRONT OF THE OFFER and shall be considered an integral part of each offer made by a vendor to enter into a contract with the State of Rhode Island, Division of Purchases. As such, submittal of the entire Bidder Certification Cover Form, signed by a duly authorized representative of the offeror attesting that he/she (1) has read and agrees to comply with the requirements set forth herein and (2) to the accuracy of the information provided and the offer extended, is a mandatory part of any contract award.

To assure that offers are considered on time, each offer must be submitted with the specific Bid/RFP/LOI number (provided above) and the date and time of opening marked in the upper left hand corner of envelope. Each bid/offer must be submitted in separate sealed envelopes.

A complete, signed (in ink) offer package must be delivered to the Division of Purchases (via any mail or messenger service) by the time and date specified for the opening of responses in a sealed envelope.

Bids must be submitted on the RI bid solicitation forms provided, indicating brand and part numbers of items offered, as appropriate. Bidders must submit detailed cuts and specs on items offered as equivalent to brands requested WITH THE OFFER. Bidders must be able to submit samples if requested. Mail To: Division of Purchases, One Capitol Hill, Second Floor, Providence, RI 02908-5855.

For the purposes of this requirement, the official time and date shall be that of the time clock in the Division of Purchases. Postmarks shall not be considered proof of timely submission.

2.1B. RIVIP SOLICITATIONS. To assure maximum access opportunities for users, public bid/RFP solicitations shall be posted on the RIVIP for a minimum of seven days and no amendments shall be made within the last five days before the date an offer is due. Except when access to the Web Site has been severely curtailed and it is determined by the State Purchasing Agent that special circumstances preclude extending a solicitation due date, requests to mail or fax hard copies of solicitations will not be honored. When the result of an Internet solicitation is unsuccessful, the State of Rhode Island will cancel the original solicitation and resolicit the original offer directly from vendors.

2.2. PRICING. Offers are irrevocable for sixty (60) days from the opening date (or such other extended period set forth in the solicitation) and may not be withdrawn, except with the express permission of the State Purchasing Agent. All pricing will be considered to be firm and fixed unless otherwise indicated. The State of Rhode Island is exempt from Federal excise taxes and State Sales and Use Taxes. Such taxes shall not be included in the bid price. PRICES QUOTED ARE FOB DESTINATION.

2.3. DELIVERY and PRODUCT QUALITY. All offers must define delivery dates for all items; if no delivery date is specified, it is assumed that immediate delivery from stock will be made. The contractor will be responsible for delivery of materials in first class condition. Rejected materials will be at vendor's expense.

Bidders must comply with the provisions of the Rhode Island labor laws, including R. I. Gen. Laws §§ 37-13-1 *et seq.* and occupational safety laws, including R. I. Gen. Laws §§ 28-20-1 *et seq.* These laws mandate for public works construction projects the payment of prevailing wage rates, the implementation and maintenance of occupational safety standards, and for projects with a minimum value of \$1 Million, the employment of apprentices. The successful Bidder must submit certifications of compliance with these laws from each of its subcontractors prior to their commencement of any work. **SITE IMPROVEMENTS – MPA #492**

**Introduction and Conditions**

The Rhode Island Department of Administration (“Department”), Division of Purchases (“Division”) seeks, on behalf of the Executive Branch agencies of the State of Rhode Island, along with potential participation at their own discretion from the Legislative and Judicial branches, quasi-public agencies, municipalities (cities, towns and school districts), seeks to retain one or more vendors to participate on a Master Price Agreement (MPA) to provide Site Improvement Services in all parts of the State. “Site Improvement Services” will include, but not be limited to: moving, excavating, transporting, replacing, refilling, grading and compacting surface and subsurface materials; removing tree stumps and other vegetative structures; seeding, liming and fertilizing lawn installations; installing and replacing pavement, traffic control structures, drainage structures and components, including concrete, asphalt and granite curbing, and concrete and PVC drainage pipes. Unit prices are sought on each of seventy nine items in various forms including units, quantities, volumes, lengths, person-hours, equipment hours. All services provided through this MPA will be classified as public works, and all labor involved, billed as person hours, or as part of equipment operation hours, shall be compensated at Rhode Island prevailing wage rates. Potential vendors shall propose rates for all items in the solicitation.

The term of this MPA will be for three (3) years. **Price quotes are solicited for each of the three years, and shall be submitted on a disk-based spreadsheet available with this solicitation.** See Attachment A for a sample of the disk-based file. This work will be done on behalf of programs and projects associated with any of the State’s agencies, including municipalities, as described elsewhere herein, and in accordance with the terms of this request and the State’s General Conditions of Purchase, which may be obtained at the Rhode Island Division of Purchases’ homepage by Internet at <http://www.purchasing.ri.gov>.

It is envisioned that a price agreement will be awarded to one or more vendors at the maximum rates quoted. The specific scope of work will be determined by the needs of the using agency, As with any MPA, a using agency would create its own release / direct purchase order specifying the items, quantities and pricing ordered, and would thus be responsible to finance the required services. No Vendor shall provide services or begin work unless and until a valid Purchase Order approved by the Agency has been issued and received by Vendor. A Vendor will not be entitled to any payment for services rendered or work completed outside of this policy.. **There is no guarantee of any level of spending activity to a vendor or vendors selected for this MPA.**

MPAs can be utilized by any State Agency, and as a requirement of this solicitation, will also be made available to quasi-public organizations, Rhode Island municipalities, school districts, and the Legislative and Judicial Branches of Rhode Island government at their own discretion. The same offers, terms and conditions of service shall be offered to these organizations. Placement of a qualified firm(s) on a Master Price Agreement is no guarantee of usage.
