upon such invalidation, the parties signatory hereto agree to immediately meet to re-negotiate such parts or portions affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE XXVII
Pre-Job Conference

Any Employer, prior to the starting of work, shall contact the local NERCC Council Representative to discuss, but not limited to, the following:

Type of work to be performed, manpower needs, schedule, utilization of contractor's work forces and other matters pertinent to the work, thus providing to all parties proper knowledge in order to perform said work in an efficient workmanlike manner.

All Employers must notify the local NERCC Representative at least two (2) weeks prior to the start of any work covered by this Agreement. Failure to hold a pre-job conference or to notify the Union will result in the loss of mobility to the offending employer per Article V of the Agreement.

ARTICLE XXVIII
Applicability of Agreement

Section 1. All work in Massachusetts, Connecticut, Maine, New Hampshire and Vermont shall be performed in accordance with the terms and conditions of the local area Agreement of the Carpenters Local Union in the area where the work is performed and all road building work in Rhode Island shall be performed in accordance with the terms and conditions of the NERC/CIRI Agreement.

All Millwright work in Massachusetts, Connecticut, Rhode Island, Maine, New Hampshire and Vermont shall be performed in accordance with the terms and conditions of the Eastern Millwright Regional Council, Local 1121 Agreement in the area where the work is performed.

The Union recognizes the threat of non-union competition and will do all possible to promote Union construction, including holding pre-bid and/or pre-job conferences on an individual job basis to mutually

agree on ways to enable the Union Employers to be more competitive with non-union Employers. The parties recognize the threat of unfair competition in certain areas and types of work from contractors who do not conform to the standards provided in this collective bargaining agreement. In order to address that problem, the Employer may request relief from certain provisions of this collective bargaining agreement. The Employer shall contact the Executive Secretary Treasurer of the Council or his designee to discuss the relief being requested. If an agreement on relief is granted, it will be reduced to writing, and reasonable efforts will be made to advise other signatory contractors who are bidding on the project of the relief. It is expressly understood that no modification or deviation may be made from the existing collective bargaining agreement except by mutual agreement of the parties. It is further understood that failure to reach an agreement under this provision shall not be subject to arbitration. It is the intent of the parties that this procedure will be utilized where circumstances warrant and that the Employer will not abuse this procedure. Relief granted under this section shall not constitute a violation of the favored nation's provisions of Section 4 of this Article.

Section 2. In order to protect and preserve, for the employees covered by this Agreement, all work heretofore performed by them, and in order to prevent any device or subterfuge to avoid the protection and preservation of such work, it is hereby agreed as follows: if and when the Employer performs any job site construction work of the type covered by this Agreement, under its own name or under the name of another, as a corporation, company, partnership or any other business entity, including a joint venture, wherein the Employer has either directly or indirectly, a significant degree of ownership, management or control the terms and conditions of this Agreement shall be applicable to all such work.

Section 3. Remedy - All alleged violations of this Article will be processed under the Grievance and Arbitration Procedure, Article XXV of this Agreement. Any awards issued shall include payment of wages and benefits for those employees who lost work opportunities.

Section 4. Most Favored Nations Clause - The Union agrees that in the event it grants more favorable terms or conditions, other than those contained in this agreement, to any employer or association, the Union will extend those same terms and conditions to the parties to this agreement.

The Union further agrees that it will not enter into any side letter agreements that contain more favorable terms than those contained in this agreement without offering those same terms to the parties to this Agreement. If any project labor agreement contains more favorable terms, those terms will be offered to all contractors working on that project.

ARTICLE XXIX
Benefits for Superintendants

Superintendents participating in the Rhode Island Carpenters Fringe Benefit Plan shall be guaranteed a minimum of 160 hours per month of benefits, subject to the rules of the Funds.

Once an employee has been classified in writing by the Employer as a covered superintendent, or once the Employer has commenced making contributions to the RICBF on behalf of such employee, the obligation to contribute to the RICBF shall exist and remain in effect, unless revoked in writing by the Employer. Once an employee's coverage is revoked, contributions cannot be resumed on behalf of that employee unless the employee returns to covered employment.

ARTICLE XXX
Construction Manager/Program Manager

Whenever any signatory contractor performs work as a management consultant, construction manager, program manager, developer, owner/builder or solicits bids from sub-contractors, considers proposals submitted by subcontractors or coordinates work performed by subcontractors, it shall be deemed to be a general contractor subject to the terms and conditions of this Agreement, with respect to all jobsite work, including but not limited to assuring that all work covered by this Agreement is performed by contractors that are parties to a collective bargaining agreement with the Union, provided, however, this provision shall not apply to any affiliated development company, or to an entity that neither manages and/or coordinates the construction contracts or construction work, nor selects subcontractors. .

The Employer recognizes that the Union, pursuant to the National Labor Relations Act, has the right to request that the Employer

provide it with information relating to whether it manages and/or coordinates contracts or work or selects subcontractors.

ARTICLE XXXI
Expiration Provision

This agreement will expire on June 5, 2016 except that if neither of the parties identified on Page 3 of this Agreement gives notice in writing to the other party between February 1, 2016 and April 1, 2016 that it desires a change after June 5, 2016 then this Agreement will continue in effect until June 4, 2017 and so on each year thereafter unless between February 1 and April 1 of each year thereafter a notice is given by either party. This year to year evergreen clause does not apply to any independent non-association employers. If neither the Union nor the independent employer gives notice between February 1, 2016 and April 1, 2016 they are bound to the successor to this Agreement for its full term.
