General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

[X] **Specification Change /Addition / Clarifications**

Here is a summary of what was discussed and the Sign in Sheet from the MANDATORY pre-bid conference.

Questions and Answers:

1. What does the square foot UOM represent? The SF UOM represents the surface to be painted. Typically, this consists of walls and ceilings. The estimated quantity is the approximate square footage of each unit.

2. Will the vendor supply the paint? Yes, the vendor will supply paint per the bid specifications.

3. How many coats of paint are expected? Typically, one coat of paint is sufficient.

4. Is there any wallpaper to be removed? No wallpaper.

5. What are the normal working hours? Normal hours are 7:00 am – 5:00 pm.

6. Are we guaranteed a minimum of 8 hours? The University does not guarantee 8 hours.

7. When is work scheduled? The bulk of work is scheduled in the summer months when dorms and apartments are usually empty. There is also work done during breaks and as needed.

8. On Page 1 of 1 Request for Quote you are requesting a Unit Price & Total. The unit price is a square foot and an hourly price which differs per building therefore what should we be putting in the column for Unit Price? As for the Total Column do you want us to put the total cost for all buildings and for all years? Vendors are not required to complete page one, item 1 of the Request for Quote page. Leave this item blank. A ZIP FILE is attached that includes an Excel Spreadsheet for submission of vendor quotes for each of the years.

It is preferred that the painting be awarded to multiple vendors (3 lowest) as the window to complete painting on campus is short and we could use multiple vendors to complete the projects prior to the start of school. We have found that one vendor cannot complete all the work in the limited time frame provided.
