**Prompt Payment Discount Form**  
(Invoice discounts for receiving fast payments)

Note: All vendors doing business with the State of Rhode Island must complete a Prompt Payment Discount ("PPD") form as part of this Master Price Agreement solicitation.

Bidder Name: A/Z Corporation

RFQ/RFP Bid Solicitation Number: 7550540

Prompt Payment Discounts ("PPD"): Vendors benefit from PPD by increased, usable cash flow as a result of fast and efficient payments for commodities or services rendered. While Bidders/Contractors have flexibility in determining the actual % discount(s) offered to the State, the discount(s) must be identified in 10 days or more for Payment Issuance Date. The State may use the prompt pay discounts submitted as a basis for selection and may negotiate discounts as deemed in the best interest of the State.

All discounts offered will be automatically deducted from payment when the issue date is within the specified number of days listed below and in accordance with the State's Prompt Payment Law. Payment days will be measured **from** the date goods are received and accepted/performance was completed OR the date an invoice is received by the Office of the DOA Controller, whichever is later **to** the date the payment is issued via ACH or mailed by the State Treasurer. The date of payment "issue" is the date a payment is considered "paid" not the date a payment is "received" by a vendor.

Enter the Prompt Payment Discount percentage (%) off the invoice payment, for the available payment issue dates listed below. Note: Vendors are allowed up to three different prompt payment options. Example prompt payment options are:

5% - 10 Days  
3% - 20 Days  
1% - 25 Days

Discount %	Payment Issue Date Within
%	10 Days
%	15 Days
%	20 Days
%	25 Days
By checking this box, we certify that we will not offer any Prompt Payment Discounts	
<input checked="" type="checkbox"/>	

ACH Payments/Supplier Portal: Vendors are highly encouraged to enroll for ACH payments. This payment method will increase the prompt pay benefit since funds are paid directly to designated bank accounts, thus eliminating the delay of check clearance policies and traditional mail lead time. The form required for ACH enrollment can be found at <http://controller.admin.ri.gov/Forms/Index.php>.

The State also highly encourages Vendors to use the RIFANS Supplier Portal which includes the functionality to electronically submit invoices against open Purchase Orders. This efficient invoicing method eliminates handling time, mailing expenses, and will further expedite the payment process. Information on the portal can be found at <http://controller.admin.ri.gov/Supplier/Isup/Index.php>.

We will sign up for ACH payment. (please circle response)	Yes	No
We will utilize the State's Supplier Portal to electronically submit invoices. (please circle response)	Yes	No

**All procurements requiring PPD shall include the following language:**

### **Prompt Payment Discounts (“PPD”)**

The Department of Administration’s (“Department”) goal in establishing the PPD program is to provide an opportunity for expedited payment to vendors, while reducing the cost to the State through vendor discounts. State agencies are encouraged to utilize vendors that offer cash discounts, along with competitive pricing, when selecting services or goods from master price agreements. In addition, the Department seeks to promote prompt payment through the use of electronic funds transfer (“EFT”) through the ACH system.

### **Prompt Payment Discount Form**

All vendors submitting proposals in response to designated master price agreement solicitations must submit the attached PPD form in order to participate in the PPD program.

Nothing herein prevents the State Purchasing Agent or designee from negotiating lower pricing or greater discounts and/or waiving technicalities related to PPDs in the best interests of the State.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
